## **ISCA Congratulates the Hon Dan Tehan MP on reappointment as Education Minister**

The Independent Schools Council of Australia (ISCA) has welcomed the reappointment of the Hon Dan Tehan MP as Minister for Education.

ISCA Executive Director, Barry Wallett, said that he looked forward to continuing the positive working relationship the Independent school sector has established with Minister Tehan on a wide range of education related issues, particularly those that affect the Independent school sector.

Mr Wallett said, "During his time as Minister for Education Minister Tehan has demonstrated a positive willingness to engage with all school sectors. We look forward to continuing our relationship with the Minister's office, including ongoing discussions to ensure the continuation of predictable and stable funding arrangements for Independent schools into the future."

"The Independent schools sector remains committed to working with the Commonwealth Government to support the implementation of their policies to provide quality education to all Australian school students," concluded Mr Wallett.
